SUMMARY: On 06-07-2010, at approximately 2330 hours, Carlsbad PD dispatch received a 911 call regarding an injury traffic collision involving a bicyclist on Cannon Rd east of Hemmingway. Responding officers located a bicyclist down in the #2 eastbound lane. Carlsbad FD paramedics responded and transported the 22 year-old bicyclist to Scripps Memorial Hospital in La Jolla with non life-threatening injuries (open head wound and probable broken leg). While the investigation is continuing, it appears that the bicyclist was in the bicycle lane when he was struck by the driver of an eastbound pickup truck. The driver of the pickup remained on scene and cooperated in the investigation. There was no indication that drugs/alcohol were a factor in this collision. No citation was issued at the time, but appropriate charges may be filed upon completion of the investigation.
